OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 24 March 1971

25X1

1. [REDACTED] John Unumb called to say that Fred Flott, Bureau of East Asian and Pacific Affairs, Department of State, had mentioned to him that over the weekend he had talked to a group in New York on American Policy in Southeast Asia. The group included Representative Lester Wolff (D., N.Y.). Flott said Wolff made a comment to the effect that he was concerned about CIA involvement in the making of foreign policy. Flott said the meeting was covered by the press, but he has seen nothing in the papers mentioning it. Flott merely wanted to let us know of Wolff's remarks. I told Unumb Wolff was well known to us, but we appreciated this piece of information. 25X1

2. (Confidential - JGO) Talked briefly with Mr. Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, who was tied up continuously in meetings throughout the day. Mr. Slatinshek has no additional questions for response by the Director for tomorrow's briefing of the full Committee.
